

# EUROPEAN GERIATRIC MEDICINE SPECIALTY EXAM – EGeMSE

*Advancing excellence in geriatric medicine across Europe*

WHEN

THIRD PILOT EXAMINATION

**21<sup>ST</sup> OCTOBER, 2026**

APPLICATIONS PERIOD

**1 JULY – 19 AUGUST 2026**

From the third pilot (October 2026) onwards, the exam will be delivered in approved examination centres (computer-based testing).

The European Geriatric Medicine Specialty Exam (EGeMSE) continues to grow as an important opportunity for trainees and specialists to gain recognition in geriatric medicine knowledge.

The third pilot examination will take place on **21 October 2026**, with applications open from **1 July – 19 August 2026**.

We are delighted that our **EuGMS 2026 Congress in Lille** <https://eugms2026.com/> will include an **EGeMSE Exam Preparation Workshop**, offering participants practical guidance, sample-style learning, and insights into the examination process.

### Key EGeMSE facts:

- Computer-based examination in an approved test centre <https://surpass.com/test-center-network/> (new from October 2026)
- Two theoretical papers with “best-of-five” questions
- Open to EU and non-EU specialty trainees or specialists — from any specialty
- No proof of English proficiency required
- Successful candidates may use the post-nominal designation “**ESE (Geriatric Medicine)**”
